Alice Nay #1-A	BECKER & SLOSS - 6980	\$ -	\$ -	Planned	Engineering, Reclamation	WELD	1	1

COGCC Jurisdiction (State and Private)

Orphaned Sites* with work planned or in progress

978

Remaining Wells to Plug on those Sites*

526

* Many sites have no wells, the operator already plugged the wells, or COGCC already plugged the wells, and reclamation is planned or in progress.

Indian or Federal Jurisdiction

Orphaned Sites with work planned or in progress

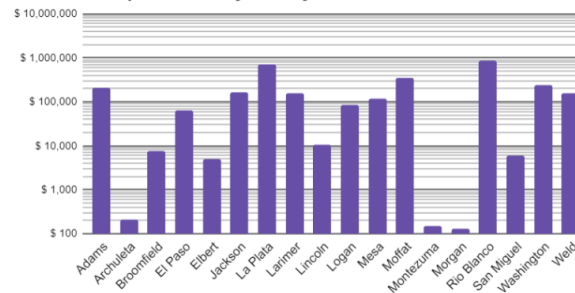

51

Remaining Wells to Plug on those Sites

37

This is not a comprehensive count of all possible orphaned sites and wells with Indian or Federal jurisdiction. It only includes Indian or Federal orphaned sites and wells that are part of a COGCC enforcement order and possible Indian or Federal orphaned sites and wells that COGCC has referred to another jurisdiction for consideration.
